Prague's historic centre consists of 5 historic quarters – Hradčany, Lesser Quarter, Old Town, New Town and Malá Strana.

The introductory tours are three hours long. Due to the number of monuments located in the Hradčany district, the tour is divided into two parts.

There is one introductory tour of Lesser Quarter, one introductory tour of Old Town, one of New Town and one of Malá Strana. It's possible to join them into all-day tours, with free time for lunch or including lunch, which we can organize for you.

At a client's request we can further organize transfers from the hotel and back to the hotel by bus, taxi or car.
